Laser Cut Drawing System
## Instruction Manual

September 2021

What is Laser Cut Drawing System?

Very unique system to provide hole cutting on our stocked enclosure by laser machine according to customer's request.
Customers directly draw hole cut plan on Nitto enclosure drawing on PC screen.

Good points:

- Saves <u>time</u> and <u>labor</u> to get the enclosures with accurate and quality holes
- Enables easy drawing on Nitto enclosure
- Available the drawing repeatedly
Applicable enclosure

-RA
-RUL
-CH
-CL
-CF
-E
-SCL
-SCF

RA   RUL   CH   CL   CF

E   SCL   SCF
